

Ryke's Family of Services

Guided by a passion for our art, we specialize in creating personalized experiences centered around uniquely prepared foods.

The Ryke's Family of services includes:

- **BAKERY**

A Muskegon Tradition - Best known for their cakes and butter cookies, Ryke's holds to tradition with these classic recipes and now includes other fine pastries. Retail or wholesale, we promise fresh goods, baked by people who care about their neighbors, using the finest ingredients.

- **Café**

Fresh, Diverse and Gourmet - our café offers foods reminiscent of old style delis but made with a contemporary touch. Soups, salads, burritos, wraps and big city dogs prepared fresh daily, on site. Bring your laptop and take advantage of our wireless internet or enjoy a book while lunching in our café. Don't have time?...Place an order to go - large or small!

- **CATERING**

Food So Prepared - Throughout history, food has inspired art, served as the centerpiece for great events and been celebrated in literature for it's ability to build families, communities and even nations. Chef Butch and his team artistically prepare foods for a variety of events including weddings, intimate dining and corporate functions. Inspired and eventful food for special occasions!
